for European Integration*

Monika BEŇOVÁ

Chairwoman

Bratislava 22nd May 2003

Num. 26/2003/ - 41VEI NRSR

Dear Mr. Larsen - Jensen,

The relations between Slovakia and Denmark are traditionally good and friendly. Very important role is playing the parliamentary dimension of communication, especially in this historical period, when 10 candidate countries signed the Accession Treaty in Athens.

Parliaments of the member and candidate states are engaged in the discussion about the future of Europe in the European Convention. Member states will also ratify the membership of the new member states.

I would like to use this opportunity to invite you together with colleagues from your committee for a visit to Slovakia. During your visit we could discuss questions concerning institutional reforms and the future of the European Union, ratification process, common foreign and security policy, bilateral relations and some actual topics of international policy.

Please, accept, Mr. Chairman, the assurance of my highest esteem,

Monika Beňová
