- (2) On 2 September 2011, the Council amended Regulation (EU) No 442/2011 to extend the measures against Syria, including an expansion of the listing criteria, and a prohibition on the purchase, import or transportation of crude oil from Syria. On 23 September 2011, the Council amended Regulation (EU) No 442/2011 to extend further the measures against Syria, including a prohibition on investment in the crude oil sector, the addition of further listings, and a prohibition of the delivery of Syrian banknotes and coins to the Central Bank of Syria. On 13 October 2011, the Council amended Regulation (EU) No 442/2011, listing an additional entity and making a derogation permitting, for a limited period, the use of frozen funds subsequently received by this entity in connection with the financing of trade with non-designated persons and entities.
- (3) The Council has now reached political agreement on the adoption of an additional measure, namely to prohibit the European Investment Bank to make any disbursement or payment under or in connection with existing loan agreements with Syria and to suspend all existing Technical Assistance Service Contracts for sovereign projects located in Syria. The loan agreements and service contracts concerned are private law contracts.
- (4) Furthermore, the Council has decided to update the information relating to one person on the list in the Annex to Decision 2011/273/CFSP.
- (5) To that end, the Council will adopt a Decision based on Chapter 2 of Title V of the Treaty on European Union. As a consequence, the High Representative for Foreign Affairs and Security Policy and the European Commission propose to amend Regulation (EU) No 442/2011 accordingly.
- (6) The loans granted by the European Investment Bank to Syria are covered by a comprehensive EU budget guarantee based on successive decisions of the Council and of the European Parliament. The current signed exposure amounts to EUR 1372 million of which EUR 560 million is outstanding.
