Dear Colleague,

Object : conference on « The Parliamentary Accompaniment of the Police Forces »

In the context of the Belgian Presidency of the Council of the European Union, I have the pleasure of inviting a delegation of your house to a conference on « The Parliamentary Accompaniment of the Police Forces », which will be organised by the Chamber of Representatives of Belgium on Monday 15 and Tuesday 16 October 2001.

Indeed, the positive feed-back from the Belgian representatives at the conference on « Democratic Control of Europol » (The Hague – Netherlands – June 7-8 2001), has strengthened my conviction that a discussion on parliamentary accompaniment on the police forces may come in very useful.

I would be very grateful if – by means of the registration form enclosed herewith – you could communicate me, by September 15 2001, the names of two members of your house who wish to participate and one official who is to accompany them.

The participants will receive the conference programme as soon as possible.

Equally enclosed you will find some suggestions on hotels you may contact in order to book the necessary accommodation for your delegation.

Yours sincerely,

Herman DE CROO
Chairman of the Chamber of Representatives
of Belgium
