Dear colleague,

It is a great pleasure to invite you to participate in the XXVI COSAC that will take place in Madrid from May 12 to 14. This meeting will be held at the Congress of Deputies, according to the draft programme adopted by the Troika last March 8.

In the Conference programme there is a subject about the "State of the analysis on the role of national Parliaments in the European construction" with the aim of informing the delegates of the national Parliaments about the situation of the debate process which will be analysed in the COSAC of Denmark.

Therefore, I kindly ask you to send us before next May 3, every draft or official report of your Parliament on this matter, that you estimate can be useful for the future debate and wish to have included in the draft contributions that will be presented in the next COSAC meeting.

Furthermore, I remind you that, pursuant to article 9.1 of the rules of the COSAC, each national delegation is required to translate drafts either into English or French. However, I consider that, in case we receive from you drafts written in other national languages that could not be translated into English or French, these can be also be useful and will be sent as well to the delegations for information.

All contributions should be sent by e-mail to sylvia.marti@sgral.congreso.es or by fax to our number 00-34-914299627.

Enclosed you will find the conference programme as well as the registration form and hotel reservation which are already available at the web site: www.cosac.org

Looking forward to seeing you in Madrid I remain

Yours sincerely,
